Matty was a healthy, vibrant 4 year old who loved basketball, Spongebob and Disney World. In January 2009, Matthew complained of stomach aches and leg pain. Matty's family was devastated when he was then diagnosed with stage IV Neuroblastoma. Friends For Matty Foundation, Inc. was founded by Phil and Tina Langone in memory of their son Matthew who lost his life to cancer on September 22, 2009.

Friends For Matty Foundation, Inc. is a non-profit 501c3 organization run solely by volunteers. Our mission at Friends For Matty is to provide financial and emotional assistance to families who are coping with the effects of childhood cancer. In addition, some of our proceeds are donated to hospitals to enhance family resources and support research for neuroblastoma and other childhood cancers. As a result of Friends For Matty having no salaried employees, 100% of the proceeds from this event will benefit the cause. Tax id 27-1215371
